

GBG Fraud Forum | Melbourne

The GBG Fraud Forum is a unique, integrated session on fraud management, combining data and technology insights throughout the customer experience. You'll hear from industry experts, insights to current trends, network with peers and learn best practice when it comes to discovering the truth through data.

Meet our GBG Australia Team

Mat Demetriou,
ANZ Country Manager

Adam Emslie,
Head of Analytics

Esther Sangkop,
Customer Success
Manager

Albert van Wyk,
Business
Development Director

Agenda | 31 October 2018

We encourage you to raise questions and comments for discussion at any time. Each topic will conclude with a dedicated question and answer session.

8:30 AM	Arrival for breakfast. Join us for a light breakfast & a coffee.
09:00 AM Mathew Demetriou	Welcome. GBG's ANZ Country Manager explaining what today is all about. Partners, solutions, trends and the future.
09:15 AM Peter Jessup	Keynote: ATM Fraud. Detective from VIC Police's Fraud & Extortion Squad discusses ATM fraud and card skimming.
10:15 AM Adam Emslie	Machine learning and fraud detection. GBG's Head of Analytics discussing how machine learning uses analytical techniques to work within a fraud detection setting.
10:45 AM	Morning refreshments will be served. Networking. Need a conversation starter? What strategies would you like to adopt at your organisation?
11:15 AM Martin Engberg Latitude Financial Josie Francese ME Bank	Panel of speakers. Delve into the world of financial crime, regulations, customer demands and increased criminal sophistication. Question of the day: How are banks conforming their compliance to adhere to the Royal commission?
12:15 PM	Lunch will be served. Networking. Need a conversation starter? What would you like to see GBG integrate into their solutions next?
