

This section only applies if the Order Form shows that Professional Services has been selected. If so, this schedule will apply in addition to the General Terms, Product Terms and any applicable Additional Terms. Any definition not provided in this schedule shall have the same meaning as set out elsewhere in the Agreement.

1. DEFINITIONS

1.1. The following definitions apply to this Schedule.

“**Example Code**” means sample code provided by the Customer to GBG to use as a template in integrating the Software into the Customer’s systems

“**Service Materials**” means any and all works of authorship and materials developed, written or prepared by GBG, in relation to the Professional Services (whether individually, collectively or jointly with the Customer and on whatever media) which it is required to deliver to the Customer pursuant to the Professional Services, including, without limitation, any and all reports, studies, data, diagrams, charts, specifications and all drafts thereof and working papers relating thereto, but excluding ordinary correspondence passing between the Parties.

2. PROFESSIONAL SERVICES

2.1. GBG hereby agrees to provide the Professional Services to the Customer in consideration of the Charges set out in the Order Form and upon these terms and conditions.

2.2. Nothing in the Agreement shall operate to prevent GBG from engaging in other professional, consultancy or project management activities.

2.3. The Customer hereby authorises GBG and GBG’s sub-contractors to have such access to the Customer’s premises, computers and IT systems and other facilities as is necessary in order to perform the Professional Services.

2.4. GBG may provide to the Customer directly or give the Customer access to Example Code. The Example Code is provided as an example to show how the service integration works. Should the Customer use the Example Code in its systems, the Customer does so at its own risk. The Example Code is provided "as is", without warranty of any kind, express or implied and in no event shall GBG be liable for any claim, damages or other liability, whether in an action of contract, tort or otherwise, arising from, out of or in connection with the Example Code.

3. GBG’S RESPONSIBILITIES

3.1. GBG warrants to the Customer that the Professional Services:

- (a) will be provided in a timely and professional manner and that it shall use reasonable endeavours to provide the same in accordance with any Timetable (as defined in 6.1 below); and
- (b) will conform to the standards generally observed in the industry for similar services and will be provided with reasonable skill and care.

3.2. GBG shall be fully entitled to use any skills, techniques, concepts or know-how acquired, developed or used in the course of performing the Professional Services in any way it deems fit and any improvements to GBG’s existing products and/or service made or developed during the course of the Professional Services, subject to the obligations of confidentiality detailed in the Agreement.

4. CUSTOMER’S OBLIGATIONS

4.1. The Customer shall:

- (a) make available to GBG such office and support services as may be necessary for GBG’s obligations under the Agreement;
- (b) ensure that its employees co-operate with GBG’s reasonable requests in relation to the provision of the Professional Services; and
- (c) promptly furnish GBG with such information and documents as GBG may reasonably request for the proper performance of the Professional Services.

5. EXPENSES

- 5.1. The Charges for the Professional Services are exclusive of the travel, accommodation and subsistence expenses incurred by GBG and GBG's sub-contractors in attending the Customer's premises to perform Professional Services and such expenses shall be invoiced separately by GBG and shall be paid by the Customer within 28 days of receipt of an invoice. Where the Customer cancels or rearranges a scheduled meeting GBG reserves the right to charge the Customer for all accommodation and travel expenses that have been incurred by GBG.

6. TIMETABLE AND DELAYS

- 6.1. Time of performance of the Professional Services is not of the essence. Where a timetable is agreed and appended to the Agreement (the "**Timetable**"), GBG undertakes to use reasonable endeavours to complete each element of the Professional Services by the date specified in the Timetable.
- 6.2. If GBG is prevented or delayed from performing any of the Professional Services for any reason which is not directly attributable to GBG's acts or omissions then, notwithstanding anything else contained in the Agreement:
- (a) if as a result any element of the Service Materials or any other deliverable is not completed by the date specified in the Timetable (where one is agreed) (or by any extended date agreed between the Parties) then any part payment of the Charges for the Professional Services due to be paid on the completion of that element (if any) shall be paid on the scheduled date for such completion (taking into account any extension of time agreed between the Parties) as distinct from the actual date of completion;
 - (b) the Customer shall pay to GBG a reasonable sum in respect of any additional time spent and materials and computer time incurred as a result of any such prevention or delay; and
 - (c) the Customer shall pay to GBG all other reasonable costs, charges, expenses and losses sustained or incurred by GBG as a result of such prevention or delay.
- 6.3. The Customer shall pay to GBG a reasonable sum in respect of any additional time spent and materials and computer time incurred in connection with the provision to GBG of any inaccurate, incorrect or inadequate information or data by the Customer or on the Customer's behalf.
- 6.4. GBG shall notify the Customer in writing without undue delay of any claim which GBG may have under paragraph 6.2 or 6.3 giving such particulars thereof as GBG is then able to provide.

7. ALTERATIONS

- 7.1. If at any time the Customer requires GBG to alter all or any part of the Service Materials, the Professional Services and/or any other deliverable under the Professional Services then the Customer shall provide GBG with full written particulars of such alterations and with such further information as GBG may reasonably require. GBG may suggest alterations to the Customer at any time, which the Customer may then use as the basis for a request under this clause 7.1.
- 7.2. GBG shall then submit to the Customer as soon as reasonably practicable a written estimate for such alterations specifying what changes (if any) will be required to the Charges hereunder and the Timetable (if applicable) and what adjustments will be required to the Service Materials (if applicable). Such Charges will be calculated in accordance with the Professional Services Rate.
- 7.3. Upon receipt of such estimate the Customer may elect either:
- (a) to accept such estimate in which case the Agreement shall be amended in accordance therewith; or
 - (b) to withdraw the proposed alterations in which case the Professional Services shall continue in force unchanged.
- 7.4. GBG shall be entitled to charge a reasonable fee to the Customer for considering such alterations and preparing the said estimate and if the Customer's request for such alterations is subsequently withdrawn but results in a delay in the performance of any of the Service then GBG shall not be liable for such delay and shall be entitled to an extension of time for performing its obligations equal to the period of the delay.
- 7.5. GBG shall not be obliged to make any alterations to the Service Materials save in accordance with the procedure detailed in this clause 7.

8. FORENSIC DOCUMENT CHECKING SERVICE

- 8.1. Where selected on the Order Form GBG will provide the Customer with the Forensic Document Checking Service as and when requested. This will consist of a visual inspection of an Identity Document, initially processed by the Customer using the Software, and the provision of additional advice and support in relation to validity of such Identity Document.
- 8.2. The visual inspection carried out by the Forensic Document Examiner as part of the Forensic Document Checking Service will look at the common security features in passports (UK and Foreign), driving licences (UK and Foreign) and identity cards (Foreign) and will seek to identify whether a document is likely to be forged, counterfeit or fake.
- 8.3. The Customer acknowledges and accepts that any guidance provided by the Forensic Document Examiner as part of the Forensic Document Checking Service is only intended to support the Customer in its decision making process. Consequently, the Customer is solely responsible for any decision it makes in relation to that Identity Document and for meeting its obligations in accordance with all applicable laws and regulations to which the Customer is subject.
